AGENDA ITEMS

Status of English Settlement School Project

Still struggling to obtain all necessary documents. Need Additional Insured Endorsement and signed Permit form from Corbin painting. We now have correct insurance company and will follow up with them on Additional insured endorsement. Permit will be mailed to Aaron with a stamped, self addressed envelope to return to us. All other participants are set to go.

Stream Work

While the recent storm wrecked havoc all across the county, it may have left a 'good' thing at park. Allowing large tree(s) to fall into creek in Day Use area, could improve this creek. This idea is being worked by Deb Gray and Rocky Houston.

Upcoming Events

- **Adopt A Highway** – Our first road cleanup is scheduled for Monday, April 22nd. Email has been sent to members.

- **SAR Event** – Search and Rescue will be running a training session at park from April 26th thru 28th. Park is not closed, however, heads up, there will be a number of people and dogs throughout the park. This is second year that they are doing this at the Park.

OTHER BUSINESS

Facebook sites – Lost in Oregon and Forgotten Oregon

Several of our board members have joined these two Facebook sites. We will try to post a photo in one of them every month. Deb Gray will share on the Friends Facebook site to help promote the park. As a ‘member’ of these sites (Lost in Oregon and Forgotten Oregon) you can search for Mildred Kanipe Memorial Park and find posted items.

Roseburg Library – One Room Schools of Douglas County Yesterday and Today

A presentation by Larry Moulton is being given at the Roseburg Library on April 23rd about One Room School Houses in Douglas County. We are hoping that one or more of our board members can attend since we have been working on restoring the one at Mildred Kanipe Memorial Park for many years. Our board member, Steve Kennerly has been instrumental in this restoration and he is planning on going.

Oak Woodlands

As there is an extensive Oak Woodland at Kanipe, the park has been included in the Oak Woodlands organization’s efforts. One of our board members has been attending meetings and keeping us informed of progress. Additionally, Rocky Houston is involved with the group. There are some grants that could potentially be applied for and utilized at Mildred Kanipe Memorial Park.

Meeting adjourned at 11:00 a.m.
