

The meeting of the Board of Directors of the *Friends of Mildred Kanipe Memorial Park Association, Inc.* was called to order on Friday, February 26, 2021, via ZOOM teleconferencing at 10:30 a.m.. Present were: Midge McGinnis, Leslye Wing, Deb Gray and Ron McMullin. Steve Kennerly and Karen Roberson were not available, however, Midge McGinnis gave school house updates from Steve.

AGENDA ITEMS

Status of School House Restoration

Flooring is now out. Sub-flooring to be installed next. Electrician has run wiring for future lights and switches. Found some dry rot where electric panel was to be placed. This will need to be fixed first. Midge will go over in the next couple of days to get photos of progress for records.

Picnic Table Repair

Ron McMullin has restored the picnic table in day use area. Will work on the other table when ground is dry enough to drive to it.

Manure Spreader

Manure spreader has been picked up and placed outside of equipment shed. County has stated they will move it undercover.

Zazzle

We have looked into possibly utilizing Zazzle to sell mugs with our logo on it. D. Grey would like to try ordering a small inventory of mugs to sell directly. She will check out costs to do this and we might go this route vs. joining Zazzle.

OET's Trail Clearing

Just a reminder OET is hosting their annual trail clearing work party on the 13th of March (10 a.m. in equestrian area). Should date be changed due to weather, we will send an email out. Everyone is welcome...just bring tools to do clearing with. Thank you!

Donation Letter

Since Karen was unable to attend, this will be discussed at next meeting in March.

OTHER ITEMS

Eric Alan's Blog

We recently were sent a link to a blog done by Eric Alan regarding the park. It is a wonderful blog. Here is a link to it. (copy/paste)!
