

# Trails need work?

- Park Trail Users are encouraged to report any trail problems.
- Use Survey123 to mark locations that will be sent to participating organizations with  Douglas County GIS

## Instructions:

1. Download (for free!) Survey123 on your Android/Apple
  2. Open the app, and 'continue without signing in'
  3. Scan the QR Code below
- \* Be sure to allow location for Survey123. This lets us know where the issue is at!
4. Add the information, picture, and other information
  5. Submit the Survey. If you are offline, you will need to send the survey once back in range!
